Pricing & Prompt Delivery.

Ohio Carbon Blank now offers the machining of quick-change hole and slotted patterns using our free Graphimator software. Erowa, 3R and Hirschmann patterns can now be easily quoted or ordered with your custom size graphite blanks. Enjoy the benefits of:

- **Out of the box ready** for quick-change mounting.
- **Hole or slotted patterns** of Erowa, 3R, or Hirschmann.
- **Click your way to 15% savings** with your first Graphimator order and 3% savings on all subsequent online orders.
- We can pre-stock your standard blank sizes with quick change patterns for same day shipment.

Let us help you alleviate your EDM department bottlenecks!
